- (1.) a. Is the officer fit for "General Service"? No.  
b. If not so fit, how long is he likely to be unfit? 3 weeks.
- (2.) a. If unfit for General Service, is he fit for service at home? No.  
b. If not so fit, how long is he likely to be unfit for service at home? 3 weeks.  
c. If unfit for General Service at home, is he fit for light duty at home? No.  
d. If not so fit, how long is he likely to be unfit for light duty at home? 3 weeks.
- (3.) Was the disability contracted in the service? Yes.
- (4.) Was it contracted under circumstances over which he had no control? Yes.
- (5.) Was it caused by military service? Yes.
- (6.) If caused by military service, to what specific conditions is it attributed? Alimentation.
- (7.) If the disability was not caused by military service, was it aggravated by it? Not applicable.

I concur in the findings of the Board of Medical Officers here recorded.

## **Instructions.**

---

1. On the occasion of an Officer's first appearance before a Medical Board for his present disability, the circumstances under which the disability was contracted will be fully detailed; whenever possible a statement of the case by his medical attendant will also be attached.

2. In recording the proceedings of subsequent Boards, the progress of the individual since his last appearance will be clearly and concisely stated so as to ensure a continuous medical history of the case being available.

3. Enteric Fever, Dysentery, Malaria, etc., contracted when on service abroad, in countries where there is a special liability to the disease, are to be regarded as caused by military service.

act. 16 has been in Hospital considerable time during 2 years. Remaining brother fairly strong. No Brothers or sisters dead.

He says he feels just about the same as when he came to Hospital. He has not improved under any treatment and in my opinion will not improve, and I consider the origin of his pains & ailments are of Central Origin. He affirms that during the past 13 months he has only done some three months work - and this "Home Service".

by 10 minutes at a time. The ache was present  
only till the last week of his stay.

Diarrhea renewed; probably 3 days a week - bowel  
moving 4-6 times a day - with no relation to food -  
new blood noticed - occasionally vomiting of small  
quantities of digested food.

April 1917 was boarded 7 months light duty.  
Then Bright's. for 4 months: N.H.S. says "chronic  
dyspepsia with gastritis" - Lavage - did not improve.  
Lost 27 lbs during his stay.

Boarded & sent to Waymouth for treatment - his time  
from June 16 - Aug 28 - improved & felt fit in leaving.

Sent 2 months home service Sept 1917.  
About 4-5 weeks ago began to have some discomfort in

## **Instructions.**

---

1. On the occasion of an Officer's first appearance before a Medical Board for his present disability, the circumstances under which the disability was contracted will be fully detailed ; whenever possible a statement of the case by his medical attendant will also be attached.

2. In recording the proceedings of subsequent Boards, the progress of the individual since his last appearance will be clearly and concisely stated so as to ensure a continuous medical history of the case being available.

3. Enteric Fever, Dysentery, Malaria, etc., contracted when on service abroad, in countries where there is a special liability to the disease, are to be regarded as caused by military service.
