Condition unchanged ->

Feb 19.

Since age 9 years, he has suffered on off from
Cramping pain across the navel. Coming part of time
after food, though sometimes right after & going to evening,
associated with gas upwards, which relieves partly.
The cramping pain occurs also at night walking him
He gets relief by rubbing his stomach & getting the wind
up - Chilling the body causes cramps -
He claims to have gas all the time, made worse by any food,
Especially starch food -

The pain over the navel now passes down into the
R. & L. iliac fossa but does not enter
Occasionally heart burn - a hot feeling in the throat & in
stomach -

Has voided on off since age 9: the voiding follows
the cramps & may come at any time in the day - never by
night - never voided blood -

He was off school for a couple of days at a time frequently,
owing to his stomach -

Since 12, he has been at home on the farm - has been
off work for a day or two at a time once a month or so -
owing to the cramps -

Apparently his bowels were constipated from childhood & was taking
opium off & on - he does not know if it makes any difference
to the cramps whether the bowels are open or not -

He has taken in the army tablets 2 or 3 times a week for the
bowels & these would go 2 days usually without a motion
if he did not take an opium -
