**Sept. 20th 1916 struck in right eye with empty cartridge shell. The eye became very much inflamed and he was admitted to Bramshott Military Hospital Sept. 27th. The trouble was a Rirato-Iritis. It is doubtful if the injury was exciting cause. About a month after admission the left eye became inflamed with the same trouble. At that time he was in Hospital 93 days. Was discharged on the 28th Dec. and re-admitted Feby. 4th 1917 with a return of the same condition. More marked in the left eye. Vision Rt. 6/9, Left 6/24. The sight is likely to improve after further treatment. Can find no disability in other systems. The condition is not specific. Advise invaliding to Canada and discharge as condition is likely to recur on exposure.

14. If the disability is an injury, was caused Injury above mentioned.

Chas. Huntley, Capt. CAMC
Officer in charge of Hospital.

\* Loss of teeth on, or immediately after, active service, should be attributed thereto, unless there is evidence that it is due to some other cause.

† Delete this word if no exceptions are to be made.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as it is essential that the Members of the Pensions and Claims Board should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pensions vary according to whether the disability is attributed to wounds or injuries received or illness contracted, (1) in the presence of the enemy, (2) on active service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Article 591 to 598 of the Canadian Pay and Allowance Regulations as amended G.O., 57, May 1st, 1915).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

20. (a) State whether the disability is the result of injuries received or illness contracted, (1) in the presence of the enemy, (2) on active service.

1. No. 2. Yes.

(b) If due to one of these causes, to what specific condition do the Board attribute it?

as given in No. 11 and 12 above.

- (a) Intemperance? No.
(b) Misconduct? No.

(c) Neglect? No.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

75% for three months.

Total on service.

In defining the extent of his inability to earn a livelihood, estimate it at 1/4, 1/2, 3/4, or total incapacity.

25. If an operation was advised and declined, was the refusal unreasonable?

Not applicable.

26. Do the Board recommend

- (a) Fit for duty? No.
(b) Fit for light duty? No..
(c) Invalided to Canada? Yes - Not classified.
(d) Discharge as permanently unfit? No.
