Re No 724695. Pte Keever L. F.
basting.

I wish to report that I have investigated the above case & wish to submit the following evidence.

Upon questioning Pte Keever he informed me that he had been drinking in the Estaminet all evening and after leaving the Estaminet at closing time he bought a bottle of wine

21462

He remembered going into
his Billet, and then claims to
have forgotten subsequent
happenings.

No 219838 - Mr. Gallagher G.A.
x No 218179 - Mr. White &
give the following evidence.

They were lying down in their billets
about 10 P.M. They heard Mr. Keene
come in, two or three minutes later
they heard a shot & upon investigating
found Mr. Keene lying on the ground
with No 540103 - Mr. Scott's Rifle
beside him.

Old Teacey was shot in the
foot and they removed him
to the Battalion orderly room and
sent for the M. O.

It was here I first saw Old
Teacey. After investigating the case
placed him under arrest.

I questioned Old Scott who
states that he cleaned his rifle
in the morning and is willing to
swear that there was no cartridge
in the magazine or chamber.
When he picked up his rifle after
the accident there was an empty
shell case in the chamber and
the clip with four rounds was.

Reference Minute 1, #12 Canadian Field Ambulance had a squad, under an N.C.O. in DINGWALL TUNNEL. This was simply a relay post, and Private Keivy should have obtained a Medical Card from his Regimental Aid Post, before reaching Dingwall Tunnel. There was no Ambulance Dressing Station in Coburg. Statement by No 724695 Pte Keavy L. J.
44 Canadian Battalion

On about the 3rd of June, during the night, we were going over the top and I was hit with a bullet in the hand. I do not know whether it was a machine gun bullet or a rifle bullet. I bandaged my hand with my field dressing and came back to Coburg Tunnel dressing station. The orderly said it was unnecessary to take a medical card ~~and~~ with me and so I proceeded to No 12 C.F.A.. When I got to the F.A. enquiries were made about my card. I was then placed under arrest pending an inquiry.

INSTRUCTIONS.

1. These forms are to be completed in all cases of accidental or self-inflicted injuries, involving a soldier's absence from duty, whether due to the man's own act, or that of a comrade, or to other extraneous circumstances.

2. Where several casualties occur as the result of one accident, one form is to be completed for each Officer or other rank injured, but only one set of statements from the witnesses of the accident need be attached.

3. Full statements are to be taken by an Officer from the witnesses of the accident. These statements will be signed by the witnesses making them, and by the Officer who takes them, and will be forwarded with this Form. Where it is intended to take disciplinary action, copies of these statements should be retained by the Unit for use in lieu of a summary of evidence.

4. Where it is possible to obtain it, a statement from the injured man will also be forwarded. This, however, should not be used as evidence against him in any subsequent disciplinary proceedings.

Special Instructions as to Evidence in Cases of Self-Inflicted Wounds.

5. In these cases the statements mentioned in paragraphs 2 and 3 above should bring out all material points, e.g., statements to the effect that the witness was with the accused standing on the fire step (or sitting in a dug-out); that the accused was cleaning his rifle; position of safety catch, magazine, etc., if known; muzzle of rifle on toe of foot; hand on muzzle; that accused pulled trigger; that the rifle was afterwards examined and an empty cartridge case was found in chamber; that accused was seen to be wounded; what accused said ("I have shot myself," "I did not know it was loaded," etc.).

6. A soldier is specially trained in the safe use of his rifle and revolver, and evidence of any neglect of the ordinary precautions as to their handling in such cases usually has considerable bearing on the question of negligence. In cases of wilful self-wounding the fullest possible evidence should be obtained; unless the evidence is conclusive this charge should not be used. The charge will therefore usually be laid under Sec. 40 Army Act—"Conduct to the prejudice of good order and military discipline in wounding himself through negligently handling a rifle," and an alternative charge to this effect should be made, even if the accused is to be tried under Section 18 for wilful maiming.
