Should the refusal of the soldier to accept treatment appear to be unreasonable, or should he decline to sign this statement the Board of medical officers should so state.

INSTRUCTIONS

1. In using this Form the "Instructions issued for the guidance of Medical Officers serving on Medical Boards" will be carefully followed.
2. The Medical Officer in charge of the case is responsible for the proper completion of pages 1 and 2 of this Form. The President of the Board of Medical Officers is responsible for the proper completion of the space, of page 3, reserved for recording the Proceedings of a Board of Medical Officers.
3. In answering the questions, Medical Officers will carefully obtain and record the soldier's statements concerning his condition. They will distinguish observations made by themselves from hearsay. They will distinctly state the authority for statements not resulting from their personal observation; it must be made clear whether such statements are obtained from the soldier concerned, from witnesses, or from documents.
4. Special care is required in answering question 14. Please read the questions carefully. All questions must be answered.
5. The nomenclature of diseases to be followed is that described in "List of Diseases" printed in the order in which they appear in the Annual Report on the Health of the Army, published in London, (1915), by Messrs. Harrison and Sons.
