LIST OF DISCHARGE
DOCUMENTS.

1. Proceedings on discharge.
(Army Form B. 268.)
2. Proceedings on transfer to re-serve (if any).
(Army Form B. 2056.)
3. Duplicate attestation.
4. Army Form B. 97 (if any).
5. Declaration of change of name (if any).
6. Re-engagement paper (if any).
(Army Form B. 136.)
7. Authority for continuance, or extension, of service (if any).
(Army Form B. 221.)
8. Court of Inquiry on an injury (if any).
(Army Form A. 2.)
9. Regimental conduct sheet.
(Army Form B. 120.)
10. Company conduct sheet.
(Army Form B. 121.)
11. Copies of convictions by Civil Power (if any).
12. Medical history sheet.
(Army Form B. 178.)
13. Medical report on invalid (if any).
(Army Form B. 179.)
14. Copy of receipt for purchase money (if any).
15. Attestation of fraudulently enlisted man for corps in which he has not been held to serve (if any).
16. Detailed statement of former service allowed to reckon towards pension (if any).
17. Copy of 3rd page attestation (in the case of men from abroad entitled to deferred pay who go to Netley or the discharge depôt for discharge).
18. Descriptive return (Army Form D. 400), where required.
See section 11 on second page.
19. Active service casualty form.
(Army Form B. 103.)
20. Employment sheet.
(Army Form B. 2066.)

In the case of recruits who are rejected before, or on, final approval, the discharge documents will consist of—

1. Duplicate attestation.
(On third page the date and cause of discharge will be entered and signed by the competent military authority.)
2. Medical history sheet (if any).
(Army Form B. 178.)

Instructions as to the preparation, despatch, and custody, of discharge documents.

1. When a soldier is to be discharged, the documents retained with the duplicate attestation will be placed inside this form. Should any of the documents be missing, an explanation of the deficiency, signed by the commanding officer, must be substituted for the missing document. The officer in charge of records will then extract from the original attestation, any documents required to complete the list of discharge documents enumerated in the margin, which will then be placed in this form in the sequence given.

2. When men are discharged from the colours at home as medically unfit, or with claims to pension, Army Form B. 268 will be sent confirmed, together with the duplicate attestation and documents retained therein to the officer in charge of records 10 days in advance of the date for discharge in the case of invalids, and 14 days in other cases. This officer will then extract from the original attestation any documents required to complete the list of discharge documents enumerated in the margin, place them in this form, and after carefully checking the duplicate attestation with the original forward the whole to the Secretary, Royal Hospital, Chelsea. When such men are discharged abroad, the same procedure will be adopted as above, with the exception that the discharge documents will be sent to the officer in charge of records immediately after discharge takes place (except in the case of men who are granted gratuities on discharge from local battalions or companies, Royal Artillery).

3. When soldiers are sent home from abroad for discharge, the documents retained with the duplicate attestation will be placed inside this form and sent home with the men for transmission to the officer who carries out the discharge, together with the following additional forms:—

- (a) Discharge certificate (Army Form B. 2079 or Army Form B. 264).
- (b) Character certificate (Army Form B. 2067) if entitled.
- (c) Copy company conduct sheet (Army Form B. 121) when required under King's Regulations.

The duplicate attestation and documents retained therein will be sent to the officer in charge of records, who will extract from the original attestation any documents required to complete the list of discharge documents enumerated in the margin and place them in this form.

4. The discharge documents of re-enlisted pensioners, on re-discharge, will be sent to the officer in charge of records, who will extract from the original attestation any documents required to complete the list of discharge documents enumerated in the margin, place them inside this form, and forward the whole to the Secretary, Royal Hospital, Chelsea, irrespective of the cause of discharge.

5. The original and duplicate attestations of recruits who are rejected before, or on, final approval will be retained by the approving officer for one year, when they will be destroyed.

6. In all other cases the discharge documents will be sent, directly the discharge is carried out, to the officer in charge of records of the unit concerned.

7. Postage need not be paid, and receipts are not required, in the case of documents sent to Chelsea or to the War Office.

8. When the discharge documents of men not entitled to pension are sent to the officer who will have final charge of them, they are to be accompanied by Army Form B. 279, and that officer will, if they are found to be correct, sign and return Army Form B. 279. Should any document be missing, he must at once apply for it.

9. The officers having final charge of the discharge documents will arrange them according to regimental numbers, and enter the names in the alphabetical index, Army Book No. 129.

THIS FORM WILL BE USED FOR ALL RANKS
MEDICAL HISTORY OF AN INVALID

INSTRUCTIONS WHICH MUST BE READ BY MEDICAL OFFICERS

1. In using this Form the "Instructions issued for the guidance of Medical Officers serving on Medical Boards" issued by the B.P.C. and instructions issued by Militia H.Q., Ottawa, will be carefully followed.
2. The Medical Officer in charge of the case is responsible for the proper completion of Sections 1 to 17 of this Form and will obtain the signature of the invalid to the "Statement," page 3. The President of the Board of Medical Officers is responsible for the proper completion of sections reserved for recording the "Opinion of the Medical Board."
3. In answering the questions, Medical Officers will carefully obtain and record the invalid's statements concerning his condition. They will distinguish observations made by themselves from hearsay. They will distinctly state the authority for statements not resulting from their personal observation; it must be made clear whether such statements are obtained from the invalid concerned, from witnesses, or from documents, Regimental or otherwise.
4. Special care is required in answering question 9. Read the questions carefully. All questions must be answered.
5. If space provided under any section is insufficient add another sheet. Such sheets must be initialled by the Medical Board.
6. A note will be made of attached papers by the Medical Board under the section "Opinion of Medical Board."
7. Under no circumstances may information other than that in sections 7, 8, 9 and 10 be communicated to the invalid, directly or indirectly.
8. The nomenclature of diseases must be followed, if possible, as described in "List of Diseases" printed in the order in which they appear in the Annual Report on the Health of the Army, published in London (1915), by Messrs. Harrison & Sons.

In March 1917 received G.S.W. right patella. No disability. Scar present

11.—(a) Did the disabling condition have its origin before enlistment? 1 & 2 No.

(b) If so, has it been aggravated by Service? (If aggravated, give a description, as far as it is possible to do so, of the disabling condition at time of enlistment.)

Not applicable

12. Was the disability caused, or aggravated; (a) by intemperance, or improper conduct; or (b) by unreasonable refusal to accept treatment? 1 & 2 No.

The regimental documents will be referred to.

(If the answer is in the affirmative, state in percentages, to what extent the patient is incapacitated by that causation or aggravation. In answering this question, conduct sheets should be considered. If treatment has been refused, the circumstances surrounding the refusal should be described on page 4.)

13. What is the probable duration, in months, of the disability or of each of the disabling conditions, if there is more than one? 1 & 2. Twelve

14. Treatment (Case reports, general or special, should be secured and attached where possible.)

Overseas Hospital 10 months including six months at Westcliff. Canadian Hospitals three months.

15. Is further treatment in hospital, convalescent home, etc., likely to be of material benefit? (If the answer is "yes" state nature of treatment required and probable duration)
