Canadian Army Service Corps

Introduction

The main duties of the Canadian Army Service Corps (CASC) in France centered on the transport and supply of food, forage, ammunition, equipment, clothing and engineering material and stores. Corps personnel also repaired motor vehicles and each division had an ambulance repair workshop. In England, the CASC were also responsible for feeding the troops.

Guide to Sources Relating to Units of the Canadian Expeditionary Force

1st Canadian Divisional Train, CASC

Background Information

Organized at Valcartier in August 1914 under the command of Lieutenant-Colonel W. A. Simson.

Arrived in England 14 October 1914.
