

NOMINAL ROLL

Every effort has been made to make our Nominal Roll as complete as possible. Absolutely complete records, however, are not available. We are in touch with those men whose addresses are marked with an asterisk (*). The other addresses are those shown on file at Ottawa and are, doubtlessly, somewhat inaccurate.

We are very desirous of contacting every man and of putting his name on our mailing list. Therefore, if you can supply any information which will help make our Nominal Roll more correct and up-to-date, please forward it to our Secretary, James Henderson, 307 Wychwood Avenue, Toronto, Canada.
