Officers
who served
Overseas
in the
Great War
with the
Canadian
Artillery

25 =

THE Canadian Artillery Association has decided that a record such as this, of the Organization of the Canadian Artillery overseas during the Great War, as also of the individual officers who served therein, would not only be of historical value from an Artillery point of view, but probably of interest to many individual officers.

Copies are being presented to each unit of the Canadian Artillery as at present constituted and arrangements have also been made to supply such individual requests as may be received, at a charge of One Dollar (\$1.00) per copy, which is below actual cost.

The Artillery Association wishes to acknowledge the great assistance they have received from the Records Branch of the Militia Department in the careful compilation of the records of individual officers and from Brig.-General A. G. L. McNaughton, C.M.G., D.S.O., in the preparation of the material covering the organization of the Canadian Artillery overseas.

C. H. L. SHARMAN, Colonel,
Secretary and Treasurer.

Ottawa, June, 1922.
